SPECIAL COMMUNITY DEAL - NO CONTRACT. Simple WIZwireless installation special deal \$873.75 (or \$373.75 for house install plus \$500 contribution to site construction. The \$500 can be spread over first 12 months value \$41.67 per month added to your chosen monthly plan) - *All subscriptions include a router. Early disconnection fee will apply within this period.

* All installs please add \$1/ km plus travel time one way. *Fee is based on a standard installation, This is where you have LOS to one of our radio masts from your house or building that needs internet. If need a premium install POA refer to website or phone.

*Prices mentioned include a special discount. Prices subject to change. All prices include GST. Offer to 31st Dec 2014

** Speed set to 1 to 15Mbps on newer infrastructure, otherwise set to 4.5Mbps. Additional hardware may need to be installed on Advance Plan * *Speeds will vary depending on network traffic and network backhaul requirements at particular times of the day.

YOU MAY ALSO REQUIRE

Wifi wireless router (Additional House Wireless Repeater)

If you are going to connect more devices a reasonable distance from the main installation. Unit configured for our network. **\$86.25**

UPS (Uninterruptable Power Supply) 1000va (More protection than 650 va)

Helps protect radio equipment from power outages. We strongly recommend this if you have power issues especially in older or rural houses or you wish to have VoIP for added protection. **\$248.00**

Voice over IP (VoIP) - Connector box needed, additional to router

Plug in any phone and works over the internet independent of your computer NOTE: Each subscription has a VoIP number with 2Talk. You need a VoIP subscription. See 2Talk (<http://www.2talk.co.nz/>). **\$125.00**

NB: VoIP service is not for an emergency service. Prices are current at time of print.

Lets get started

EMAIL REQUEST

Use your own email address from another provider, or request a domain name and email address. Now you can have your own special domain name. Please give your two ideal names for us to check and we'll register one of them for you or you can choose a special wizbiz email address

Domain Name 1 eg name@yourdomainname.co.nz

Admin password

Email Address eg name@yourdomainname.co.nz

Password options

*LOS check is required for most new installations and a technician's visit may be required to perform a signal strength test. There is a charge for this POA. An additional \$57.50 is also chargeable in the following circumstances: (a) Cancellation of the installation by a customer after the positive outcome of the onsite signal test; (b) Postponement of the installation by a customer for more than 3 weeks from the date of a positive signal test result.

INSTALLATION PROCESS

Fill in this form to request an installation including LOS (Line of Sight) check to one of our many radio masts (if needed). Choose your plan and any extra hardware you want, then simply:

Return this form by mail to WIZwireless Limited, PO Box 818, Masterton or Fax to 06 370 9212, then call us on 06 370 9210 or 0800 949 249 to arrange your installation.

Installations can normally be completed within 3 weeks of receiving request for internet form.

Payment of installation is due on day of install. This invoice will include the first months data plan.

We do accept credit card payments but please add 5.4% bank card fee.

CUSTOMER DECLARATION

I have read this document and agree to pay the installer on date of install or to make payment online before the installation. Please add your customer code plus name in reference cell when making payment online, thanks
